

# BRYAN C. KNIGHT

Web & Interactive Media Designer/Developer

 bcknight623@gmail.com

 717.916.4672

 219 Basil Street, Marietta, PA 17547

## PROFILE

---

A dedicated web and multimedia designer, who values hard work, dependability, and creativity as important attributes. I thrive in a team environment, also, in facing new challenges and experiences with determination. I'm always eager to learn and enhance my technical and personal skills.

## EDUCATION

---

### THE ART INSTITUTE OF YORK, PA

B.S. Web Design and Interactive Media ● June 2015

#### Achievements

2x President's List

4x Dean's List

3x Honor List

### PENNSYLVANIA STATE UNIVERSITY, YORK, PA CAMPUS

30 Credit Hours Earned Towards B.A. in Mass Communication

## SKILLS

---

### WEB DEVELOPMENT

Use front-end and back-end development to create fully functional websites. Experience with programming languages: HTML5, CSS3, PHP, and jQuery, as well as comprehension of responsive design. Capable of constructing databases and incorporating them into websites.

### VISUAL DESIGN

Approach to multimedia design with the intention to create trendy, modern and clean designs. Knowledgeable and capable in the use of design software such as Adobe Photoshop and Illustrator. Also, compose and manipulate still photography in addition to shooting and editing video.

### PROFESSIONAL

Emphasize an organized problem solving approach towards individual and collaborative work assignments. Determined, self-motivated manager of time and tasks.

### PERSONAL

Enthusiastic about working in the field of web design and interactive media. Adaptable to different situations. Resilient, dependable, and considerate individual with a respectful attitude. Never afraid to ask for help. Seek new, innovative ideas and information. Possess good communication skills and enjoy working with, as well as helping others.
